# SVET

# MESSAGE

## • Message from President •

The ongoing expansion & development in trade, commerce and industry demands, competent, erudite, technically perfect and professionally suitable manpower with consummate knowledge of his/her field of specialization & understanding of human values. Moreover, fast coming up inventions in communication, management & IT have shrunk the globe & bough it to the level of global village.

SVET has made remarkable advancement in a very short span of time through its quality teaching, high standard infrastructure object oriented functioning & transparent administration.

**Shri Vasudevhai L. Patel**

## • Message from Principal •

Our institute intends to provide remarkably skillful manpower in computer science, management, commerce & science to meet the needs of the industries and serve the society & nation by imparting quality education.

We have an approach to education to develop & roster talents of students to groom & nurture them for making them as effective shaper's of the economy.

**Mr. Jayram P. Suthar**
